

Our firm

CM&P Law Firm was established by lawyers with previous experience in international law firms and multinational corporations. Thanks to the acquired competence and expertise, CM&P is a reliable partner in all the stages of the business process.

Practices

CM&P advises its clients on all the aspects of corporate M&A transactions both domestic and - through its well-established network of international law firms - in all of the most dynamic international Jurisdictions.

CM&P provides its clients with the best solutions to protect their intangible assets both in the extrajudicial phase and in all levels of the litigation.

CM&P team is skilled in white collar crimes litigation, with particular focus on the aspects related to corporate activity and compliance.

CM&P lawyers acquired competence in the energy sector, with a specific focus on the renewable energy field.

CM&P offers its clients unrivalled array of services in all the levels of the civil litigation process, domestic and international arbitrations and alternative dispute resolutions.

CM&P team is skilled in both domestic and international tax aspects and advises its clients on all the issues concerning tax matters as well as during trials in matters of tax laws.

CM&P has acquired specific competence in the Fashion and luxury goods sector, advising some of most prestigious national and international brands.

CM&P lawyers acquired specific competence in the real estate sector. Our lawyers advise domestic and international clients, on an ongoing basis, in connection with the acquisition and dismissal of real estate assets and portfolio.

CM&P advises its clients on the food & beverage sector both in connection with regulatory issues as well as with regard to contractual aspects and during M&A transactions.

Network

In assisting clients interested in the US market, CM&P Studio Legale Associato utilizes the services of Lazer, Apthecker, Rosella & Yedid, P.C., U.S. law firm with its headquarter in Melville, NY.
